# 7 **PLANNING**

# 7.1 AVDC Approved application

**17/01432**: Change of use of garden building into dog grooming business – The Uppings Swan Lane.

# 7.2 Ewelme Site Update on Land & Partners (L&P) applications

#### 7.2.1 Sites A and C

No updates for Sites A and C were available.

#### 7.2.2 Site B

Chair had attended the AVDC Development Management Committee meeting on 25 September, when Site B was discussed by AVDC members. The planners were concerned about deliverability of a village shop, views from Castle Street to Brill and that the housing might obtrude the village streetscape. It was therefore agreed to hold a site meeting on 26 September which CC/DC AM attended. The report from the site meeting will be heard at the next Development Management Committee meeting on 12 October which Chair, CC/DC AM and Jonathan Harbottle from Land & Partners will attend. Chair had responded to a question, from L&P, that the Parish Council would probably take on temporary ownership of the shop as a last resort, while a commercial tenant was found, but would prefer that Ewelme retains ownership of the shop.

# 7.3 Vale of Aylesbury Local Plan (VALP)

The submission draft VALP had been issued for consultation. The number of houses Marsh Gibbon is expected to supply by 2033 has been revised to 47.

# 7.4 Planning application 17/02644/APP

Dr Oliver Watson, the applicant of 17/02644/APP, queried why the Parish Council had commented on his application and was told that the Parish Council is a statutory consultee. He was informed that when his amendments come to Council he is most welcome to attend that meeting.

Action: Clerk to email Dr Watson the minutes of the 8 August meeting at which the planning application was discussed.

#### 8. CLERK'S REPORT AND ADMINISTRATION MATTERS

#### 8.1 Finance Report

Clerk presented the Financial Report for September 2017. Payments totalling £2805.17 were approved as detailed on page 1794.

The next Finance Meeting was confirmed for 7.30pm on Tuesday 24 October.

## 9. PLAY EQUIPMENT, TEENAGE RECREATION AREA AND RECREATION GROUND

#### 9.1 Play area repairs

- 9.1.1 It was confirmed that the repairs to the multi-play unit were now satisfactory.
- 9.1.2 It was agreed to go ahead with the purchase of 3 panels at £135 each.

Action: Clerk to confirm with Barry Leonard.

It was noted that the pre-school still had not responded to the invitation to hold events.

Action: Cllr JS to send school contact details to Chair so that the invitation can be passed onto the early years teacher at Marsh Gibbon school.

#### 10 BCC DEVOLUTION OF SERVICES

10.1 Urban grass cutting: Nothing to report

10.2 Hedging: Nothing to report.

#### 11 ROADS AND PATHWAYS

#### 11.1 Poundon Road Closure, 1 November for 35 days

Alison Gurney, Poundon Village Correspondent, attended the meeting to express concern at the planned road closure at the junction of Main Street Poundon with the Marsh Gibbon and Twyford Roads. Council agreed to write a letter to BCC, copied to CC Angela Macpherson, asking if traffic lights could be used instead of a complete road closure.

Action: Clerk to write to BCC

#### 11.2 Pot holes

11.2.1 **Rylands**: Cllr AL reported that this road continues to be of concern. It was also noted that if there is an incident on the A41 traffic is diverted along this stretch of road.

Action: Clerk to follow up with TfB

11.2.2 **Bicester Road**: Cllr PE reported that some repairs had been made. Clerk had asked TfB to ensure that when Thames Water have completed the work in Marsh Gibbon the roads are 'made good'.

Action: Clerk to follow up with TfB

#### 11.3 Speeding

# 11.3.1 Speed limit outside school

Transport for Bucks had informed Chair that neither the Council nor the school are allowed to erect a 'recommended 20 mph' speed limit outside the school without first carrying out the relevant surveys. All surveys to justify a change of speed limit have to be self-funded but it may be possible to get funding from the Local Area Forum or 'HS2 funds'. It may also be possible to get funding from the developers of Site B if that goes ahead.

Action: Chair to enquire with LAF and at the HS2 funding meeting

#### 11.3.2 Sentinel Speedwatch

Five Sentinel Speedwatch sessions had so far been held. More are planned with more volunteers attending. Chair is keeping a record of dates and trained volunteers.

## 12 STREET LIGHTING

There were no reports of faulty street lights.

# 13 **POST OFFICE**

Chair reported that he had received a message from The Plough that things were progressing well.

# 14 EAST WEST RAIL \ HS2

#### 15 CHRISTMAS TREE

Cllr PE reported that she had received the new lights for the Christmas Tree and that she was discussing the electrical installation with a local electrician.

Clerk had received confirmation that the cost of the tree would be as last year, £339+VAT and delivery of £20.

Action: Clerk to order the tree for delivery on Friday 1 Dec Action: Cllr PE to check when the Carol Service will be held

#### 16 ENVIRONMENT MATTERS

#### 16.1 Street Furniture

Cllrs RC and DL had inspected the seats to the entrance of Rectory Close and recommended that:

- the seat on the left hand side be removed.

# Action: Cllr RC to discuss with Barry Leonard to get a 'ball park figure' for the removal

- it was noted that a quotation for repair to the seat on the right had been requested.

Clerk reported to AVDC that the Marsh Gibbon sign had fallen off one of the gates into the village but had not yet had a response, other than a standard acknowledgement.

Action: Clerk to follow up with TfB.

It was noted that a quotation for the painting of the railings at Ware and Mud Ponds had been requested.

Clerk had reported to AVDC that the Millfield Close street name plate had fallen but has not yet had a reply, other than a standard acknowledgement.

Action: Clerk to follow up with AVDC.

## 16.2 Helicopter Nuisance

Local residents had expressed concern that recent helicopter movements appear to be more frequent, of a longer duration and low flying, thus causing a disturbance. A resident spoke on the subject.

Action: Clerk to write to the Low Flying Complaints and Enquiries Unit at the Royal Air Force, Wittering, requesting that pilots avoid flying near or over housing in Marsh Gibbon

#### 17. CEMETERY MATTERS

#### **General Maintenance**

Cllr DL had bought the slabs and put on pre-purchased graves – he now had two slabs in reserve. It was noted that the lower branches of the tree in the right hand corner of the cemetery need removing.

**Action: Cllr RC to remove the branches**
