- Council had no objection to an application for replacing a chimney pot at Nampara Cottage in The College.

Update on 'Ewelme Sites'

- Land & Partners have now submitted to AVDC an application for site B (Berry Field, opposite School): "Outline planning permission with all matters reserved for the development of land for up to 10 dwellings and local shop, together with associated parking, open space and sustainable drainage." It will take a few days to appear on the planning portal with an AVDC reference number, which enables consultation comments.
- We have been informed that an AVDC decision is pending on the outline application for site A (Little Marsh Road/Swan Field).
