

Planning

- At its last meeting Council had no objection to the following application: 19/01413/APP - Proposed detached garage with home office to rear of dwelling on Land at Townsend Lane, OX27 0AE.
- WE Black's managing director presented their proposals for the reserved matters for application 19/02094/ADP for Land off Little Marsh Road (Swan Field north). Council had no objections and commented to AVDC to ensure that relevant policies in the Marsh Gibbon Neighbourhood Plan will be adhered to.

"Ewelme" sites

Councillors have now met with the managing directors of the developers of sites A, B and C that Ewelme has sold to WE Black Ltd, Deanfield Homes Ltd and Edgar Taylor Ltd. Each developer has presented their proposals for the reserved matters which were urgently required by AVDC under the conditions of the outline planning permissions. Each company will present their proposals to public meetings later in the year before applying for detailed planning permission.

Dog Fouling

There are still problems with some owners not depositing their waste in the dog-waste bins and so a new dog bin will be installed at the entrance to The College.
