

Urgent News for Marsh Gibbon

March Gibbon Post Office

- We learnt yesterday that the owners of the shop/post office have declared their intention to close on July 31st. The parish council is now looking into our options and who to contact to try and ensure that the post office does not close altogether.

East West Rail

- We received the following email from East West Rail, which may concern you:

"On 7th April I sent out details of East West Rail consultation dates and public exhibitions. Due to the Prime Ministers announcement to hold a 'snap' general election on Tuesday afternoon and subsequent vote in the House of Commons to support this on Wednesday, Network Rail as a public body must abide by pre-election rules on consultation. Therefore, we will be rescheduling the East West Rail Western Section Phase 2 round two consultation. Once I have revised dates I will contact you again with details. Please could you inform your local communities as to the rescheduling of events.
